

Dear Parents',

We thank God for a rewarding school year, for His grace and for you as you worked with us to ensure that we both got positive outcomes from the children. We thank you as always for your patronage trust and belief in us. We also believe that in the coming school year we would work together to attain greater heights for our school.

This term inspite of the holidays we were able to complete our scheme and learn outside of the curriculum. Apart from the theme for the term "Earth" we grasped opportunities such as special Holidays and National Holidays to extend our learning.

→**AFRICAN WEEK** was celebrated with a lot of work and gusto by the children also with participation of parents. We looked at a selection of African countries from the North South East and West of Africa.

It was a combined celebration as we also celebrated the children #TheAfricanChild. For children's' day. Pupils wore very colourful costumes depicting the cultures celebrated.

Below are pictures from the event:

→**CAMPAIGNS AND ELECTIONS** were held for the next group of pupil leaders' positions such as Assistant head boy and girl, health prefect, social prefect, time keeper, sanitation prefect was vied for and to reinforce democratic rule, election was a part of the activity held in commemoration of Democracy day.

Pupils also had the opportunity to show their civic responsibility on World Environmental day, as they equipped themselves with gloves and waste bags and joined

several other people round the world to clean up their environs, spreading the message of a healthy environment.

Trinity term has come to a good end with our pupils moving from one height to another. For our graduands from the nursery and primary, we wish them the very best. We would miss our year six pupils as they leave for various secondary schools and we trust God that with the foundation provided them here, that they would excel.

→SUMMER SCHOOL!!!

Summer School starts Monday July 30th. This year's summer school will be like no other; there will be learning and fun; field trips, arts and craft, cooking and learning in the core subject areas English and Mathematics. During the summer school, Primary five and six would concentrate solely on Common Entrance Questions to give them a head start.

In preparation for the next academic school year 2018/2019, here are some things to note:

→**TEXTBOOKS:** Textbooks would be available for sale during the holidays to avoid delays when school resumes, selling commences on Aug 6th at the school bookshop, near the Admin office. Please note, when school resumes it might take up to 3 days before books will be allocated after payment, as we might run out of initial stock. The costs of the textbooks are in your bill/invoice.

Textbooks are sold only once in every academic year. However, where textbooks, notebooks etc. are lost by a child, it can be repurchased by the parent from the book shop.

→ **UNIFORMS:** All Uniforms are available, please use this opportunity to replace outgrown and overused uniforms, neatness and self-esteem is a culture we imbibe in our little ones as the grow, coming to School in neat uniforms is ideal we want them to stand out in this community

Please, all holiday hairstyles should be removed before pupils resume at school. All hair-do should be without colour or any form of attachments. Beads and Bob Marley braids are not allowed as hairdo for school. They are a form of distraction to other pupils and the child in question.

→ **TRANSPORTATION:** Parents who are interested in our bus services, we request should pay Transport fare before school resumption, this is to enable us to plan our routes, to effect a smooth service on the first day of resumption.

→ **SCHOOL FEES:** We encourage our dear parents to pay school fees at least 2 weeks before resumption.

Please note that the school would not accept cash as payment anymore, due to previous experiences. So, all payments should be made through Transfers, POS (in the school premises), E-Banking etc. For enquiries on this, please call these numbers: 08029939804, 08121534926, 08122530947.

The Schools new academic session would resume on Monday the 10th of September.

If you have any questions or enquiries, you may come to the school on:

Day: Mon – Thurs

Time: 9:00am – 1:00pm OR call the following number: 08112671524, or 09070937100 (Whatsapp only)

Also go through the calendar for the next school term.

Mrs Ola- Kalejaiye
Head Teacher

LESSONS

School enrich and reteach class is compulsory from Nursery One to Primary Six; we use this period to reteach indept what was taught in Maths and English, and was not understood by the pupils. This is done during the following hours:

- Primary – 2:30pm to 3:30pm
- Nursery – 2:00pm to 3:00pm

At these periods teachers won't be able to indulge in any private lesson.
